Fact sheet

They loved us so much that some of our children are now our parents.

Our reputation of excellence in child care is built on 45 years of providing a nurturing, educational and fun environment.

At Toowong Child Care our focus is on the educational and personal development of your child. Our programs are designed to enhance strong bodies and minds, positive relationships with others and a sense of interdependence with the world. Our philosophy is that play is the basis through which children learn and develop.
