

*Providing Aged Care since 1936
The first provider of Aged Care accommodation in Queensland*

Our Aged Care communities offer everything from modern apartments and villas, to contemporary, state-of-the-art residential care and lifestyle options.

Our exceptional standards can be summarised in the words of one of last year’s aged care accreditation auditors, “This is where I want my parents to live.”

We genuinely care and offer a real commitment to improving independence and life opportunities, thereby maximising each resident’s quality of life.

Wesley Mission Brisbane Aged Care communities include:

- fourteen residential aged care nursing communities (low to high care)
- extra services options
- four retirement communities
- on site therapy centre including hydrotherapy.

Wesley Mission Brisbane Aged Care communities offer:

- a safe home with professional, warm nursing support
- a commitment to the Eden Alternative® which helps maximise each resident’s quality of life, and staves off loneliness, helplessness and boredom
- a commitment to helping residents maximise control and independence
- a focus on aged care facilities as homes that promote health and well-being.

Extra services:

Within our communities and facilities you have the option of paying a higher fee and receiving additional benefits. Depending on the facility these services might include:

- additional choice within the menu
- beer and red or white wine at lunch and evening meals
- additional exercise programs
- additional special event outings
- gold class or in-house cinema experiences
- computer access.

Our sites have a range of residential options to suit everyone's needs.
